

Crippled Children Enjoyed Their Outing

Speaking of the visit of the crippled children of Ilion to Cooperstown on Monday the correspondent of the Utica Press from that place says:

Monday was the second annual outing of the crippled kiddies who live within the jurisdiction of the Ilion Lodge of Elks and the day was a great big success.

The start from Ilion was made about 10:30 o'clock. The first stop was made at the sand conducted by Earl Phillips in the Ilion Gorge. A brief stop was also made at Richfield Springs and Little Lakes.
