Original data: Electronic databases created from various publications of parish and probate records.

Description:

This database is a collection of parish registers from Yorkshire, England. These records can range in date from the early 1500s to the mid- to late-1800s. Some non-parish records may be included from as early as the 12th century. The records include baptisms/christenings, burials, marriages, tombstone inscriptions, obituaries, tax lists, wills, and other miscellaneous types of records.
